

Associate Professor Marianne Glasius
University of Aarhus, Denmark
glasius@chem.au.dk

Short CV

- **2000 Ph.D. degree in chemistry**
 - **University of Southern Denmark**
 - **Joint Research Centre, Ispra, Italy**
- **2000-2006 Scientist/Senior Scientist**
 - **National Environmental Research Institute, Denmark**
- **2006- University of Aarhus**

Organic particles - Sources and characterisation

Interactions between sources, particles and climate

Sources to carbon in particles

- manmade/natural
 - biomass/fossil fuel combustion
 - sea/land sources
-
- **Laboratory for advanced analysis of organic compounds in particles**
 - **HPLC-Q-TOF-MS**
 - **Analysis of samples from laboratory and field studies. Collaboration wanted!**
