ACAM, 2017-06-05

Institute for Environmental and Climate Research (ECI)

暨南大學 环境与气候研究院
JINAN UNIVERSITY INSTITUTE FOR ENVIRONMENTAL AND CLIMATE RESEARCH

- Warm welcome to Guangzhou!
- Sorry for the abnormally hot weather!
- Is the summer Asian Monsoon (ACAM) coming earlier due to global warming?
- Dear President Trump, please don't gamble with our climate!

Jinan University (JNU)

暨南大學
JINAN UNIVERSITY

- Jinan University is one of the oldest modern universities in China (1906).
- Established first by overseas Chinese. Now administered by the Office of Oversea Chinese Affairs and the Ministry of Education.
- Jinan University has the largest number of students from outside of Mainland China.

China

- Encourage exchanges of faculty and students.
- Invite collaborative research projects.
- Please help us recruit applicants for graduate study, particularly foreign students.

Enjoy Guangzhou!
Thank you!
